

Seaforth Parent Advisory Council

Donation Request

Each year the Seaforth Parent Advisory Council sends out a donation request to the families of students attending the school. Through your support these funds have been used to purchase new computers for our lab, iPads, classroom learning materials, playground and gym equipment ect. The list is extensive of what we have raised together and I'm proud of the support you have given over the years.

We all have an opportunity to make a difference in our children's school experience by contributing our time and offering financial support when we are able. The funds raised by your Seaforth PAC come from a variety of sources; hot lunch, popcorn Fridays, book fairs, family photo night and other family events throughout the year. They also come from you. Without your support many of the programs and purchases the PAC funds would not be possible.

This year we would like to increase the funding to your child's classroom; up from the traditional \$12.00 per student and offer additional funding for items on the teachers wish list. Without your support, this will not be possible. Please help us reach our fund raising goal of at least \$30.00 a student.

Donations can be made online through the SchoolCashOnline payment system or you can make cheques payable to **École Seaforth Elementary School**.

Charitable donations can also be made through employee donation programs using the Burnaby School District Charitable number #118812940RR0001. Please indicate donations to be directed to École Seaforth Elementary School.

Thank you for your support and generosity,
